

REMARKS

In the Office Action dated February 27, 2006, claims 1-21 were presented for examination. Claims 1-21 were rejected under 35 U.S.C. §103(a) as being unpatentable over *Jang et al.*, “An Effective Mechanism for Index Update in Structured Documents”, ACM 1999, pages 383-390, in view of *Shin et al.*, “Bus: An Effective Indexing and Retrieval Scheme in Structured Documents”, ACM 1998, pages 235-243, and *Parupudi et al.*, U.S. Patent Publication No. 2005/0080902.

The remarks pertaining to *Jang et al.*, *Shin et al.* and *Parupudi et al.* in the prior communications are hereby incorporated by reference.

In the Office Action dated February 27, 2006, the Example states “Parupudi discloses encoding said attribute in the node identifier as a URL, and inserting said URL in the HTML document ([0083], [0111]).” Office Action dated February 27, 2006, page 4. Applicant has reviewed the lengthy *Parupudi et al.* publication and cannot find any verbiage pertaining to an HTML document. “To establish prima facie obviousness of a claimed invention, all the claim limitations must be taught or suggested by the prior art. *In re Royka*, 490 F.2d 981, 180 USPQ 580 (CCPA 1974).” MPEP §2143.03. Each of Applicant’s independent claims include a limitation associated with encoding the data into an HTML formatted document, which does not appear in *Parupudi et al.* as alleged by the Examiner. Accordingly, based upon the above, Applicant respectfully requests that the Examiner remove the rejection of claims 1-21 under 35 U.S.C. §103(a).

Applicant believes that the present application is in condition for allowance. Accordingly, Applicant requests that the Examiner indicate allowability of claims 1-21, and that the application pass to issue. If the Examiner believes, for any reason, that personal communication will expedite prosecution of the application, the Examiner is hereby invited to telephone the undersigned at the number provided.

For the reasons outlined above, withdrawal of the rejection of record and an allowance of this application are respectfully requested.

Respectfully submitted,

By: /Rochelle Lieberman/
